

# Are the Protocols of the Elders of Zion a Blueprint for the Antichrist's Global Takeover?

Sixbert SANGWA • June 07, 2024

As Christians, we are called to be vigilant and aware of the spiritual forces at work in the world around us. In [Matthew 10:16](#), Jesus warns us to "*be wise as serpents and innocent as doves*". One document that has sparked controversy and curiosity for over a century is the Protocols of the Elders of Zion. Written in the late 19th or early 20th century, its authorship and authenticity have been disputed, but the content remains a critical examination of the globalist agenda and its potential connection to the Antichrist's rise to power.

The [Protocols of the Elders of Zion](#) has been a controversial and highly debated document allegedly written by a secret group of influential individuals of Jewish origin, outlining a secret plan for global domination. The first publication is attributed to Sergei Nilus, a Russian Orthodox priest, in 1903. The document consists of 24 protocols, each detailing a step-by-step plan to control the world through manipulation, propaganda, and deception. The protocols cover topics such as:

1. The need for a unified, centralized government
2. The importance of controlling the media and education systems
3. The use of economic crises and wars to shape global politics
4. The manipulation of public opinion through propaganda
5. The infiltration and control of key institutions, including governments and churches
6. The Connection to the Illuminati and Globalism

The Protocols have been linked to the Illuminati (believed to be working behind the scenes), and eerily mirror the goals and tactics of the Illuminati, a secret society formed in the late 18th century that is believed to be working to establish a new world order. The Illuminati is seen as a key player in the conspiracy to establish a one-world government and to undermine traditional values and institutions. The Protocols are seen as a blueprint for the Illuminati's plan for world domination and the establishment of the New World Order (Antichrist Kingdom). This echoes the biblical prophecy of [Revelation 13:7-8](#), where the Antichrist power will "make war against the saints and to overcome them".

Despite being often dismissed as mere conspiracy by those who see it as such, the document's protocols have demonstrably shaped world history, aligning with certain end-time prophecies. This should come as no surprise, as the Bible reminds us, "*He who does what is wrong hates the light and will not come to the light, for fear that his deeds will be exposed.*" ([John 3:20](#)).

Today, we see these plans unfolding before our eyes, as many of the predictions in the Protocols have come to pass. The increasing centralization of power, the manipulation of media and education, and the erosion of national sovereignty all point to a globalist agenda. The rise of technocratic governments, where unelected officials wield significant power, further solidifies this connection. Wars and conflicts are often fueled by the interests of powerful elites, and the world is becoming increasingly interconnected through technology and efforts in globalization.

The Protocols, when viewed through the lens of biblical prophecy, reveal a chilling connection to the end-time scenario. The Bible warns of a future where the Antichrist will deceive the world, leading to a one-world government and a false, satanic messiah ([2 Thessalonians 2:3-4](#)). The Protocols, in essence, provide a blueprint for this Antichrist system, where the devil works in darkness, using human agents to achieve his goals.

As Christians, we must recognize the spiritual nature of this battle. We are not fighting against flesh and blood, but against principalities and powers, against the rulers of the darkness of this age ([Ephesians 6:12](#)). It is essential that we remain vigilant, prayerful, and informed, exposing the works of darkness and shining the light of truth in these perilous times.

In conclusion, the Protocols of the Elders of Zion, regardless of their authorship, serve as a warning to Christians of the clandestine plans at work in the world. As we navigate the complexities of global politics and the rise of the Antichrist, let us heed the counsel of [1 Peter 5:8](#), "*Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour*".
